## About Canadian Champions

Canadian Champion distinctions are awarded to Holstein cows (75% purity or higher) that surpass the previous all-time highest performance for milk, fat, protein and or total BCA at their age in their respective calving category. If more than one (1) animal in a given year exceeds the previous highest level, only the top individual will be recognized as the new Canadian Champion.

The list of the all-time highest production Canadian Champion cows is on Holstein Canada's website under Awards-Lists – Cow Awards.

## About Holstein Canada

With more than 9,200 members, Holstein Canada is responsible for maintaining the Holstein Herdbook under the Federal Animal Pedigree Act of Agriculture and Agri-Food Canada (AAFC). The Association provides many services to its members to help them evaluate, select and improve their herds through genetic improvement programs. For more information, visit our [Website](#) or follow us on [Facebook](#), [Instagram](#) and [Twitter](#).
