

1. From the DairyNet dashboard select the “Herd” tab then “Animal Choice”

The screenshot shows the DairyNet dashboard with the 'Herd' tab selected. The 'Animal choice' option is highlighted in yellow. The dashboard is divided into 'Overview' and 'Actions' sections.

Overview	Actions
Cattle	Enter herd
Cattle groups	Leave herd
Animal choice	Change group
Work lists	Assign admin groups
	Change farm / farm site
	Register

2. In the top right corner of the Animal Choice page select the “Create” button.

The screenshot shows the 'Animal choice' page in DairyNet. The 'Create' button is highlighted in yellow in the top right corner. The page has a dark green header with navigation tabs and a search bar.
